Subject: Application of Ready Set Movers, LLC to Amend Tariff
Office of Regulatory Impact Study
Docket No. 2011-53-T

Dear Mrs. Boyd:

The Office of Regulatory Staff ("ORS") has reviewed the application of Ready Set Movers, LLC to amend its tariff. Changes in competitive nature of the Household Good industry and the cost impact to the Class E carriers have prompted ORS to streamline and improve its Impact Study process. These changes lessen the regulatory burden on the Class E carrier and provide the Commission with a comparison of the proposed tariff increase. The ORS Impact Study for Ready Set Movers, LLC is detailed below.

ORS Impact Study Results

- 1) Exhibit 1 includes a comparison of the tariff increase with the SC Tariff Bureau.
- 2) Exhibit 1 includes a calculation of the percentage increase in the proposed tariff.
- 3) Results of the most recent compliance review on Ready Set Movers, LLC.

ORS conducted a compliance review of Ready Set Movers, LLC on April 10, 2012. ORS examined bills of lading from 7-20-11 through 4-10-12.

The following areas of non-compliance were noted:

- a) Bills of Lading were not consecutively numbered at the time of printing. (R.103-159.11)
 - b) Valuation clauses were not signed by the consumer. (R.103-159.6)
 - c) Tariff rates were not charged. (R.103-198)
- 4) ORS has received no complaints from consumers in the past 12 months regarding Ready Set Movers, LLC.

5) Ready Set Movers, LLC should amend its application filed with the PSC to accurately describe the equipment it owns/leases.

We appreciate your consideration and attention to this information.

Sincerely,
